Ref.No.2473-29-B1.

South Kanara Collector's Office,
Mangalore, 15th April 1929.

From

G. W. Wells, Esquire, M.A., I.C.S.,

Collector of South Kanara.

The Secretary to the Board,

Land Revenue & Settlement,

M a d r a s.

Sir,

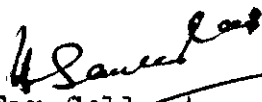

Religious Institutions - Puttur Taluk - Mittabagilu
village - Tasdik - Institution No.45, Koodabettu Sadasiva
Dev - Re-admission and payment of arrears - sanction sought.

Institution No.45, Koodabettu Sadasiva Dev, was in receipt of a tasdik allowance of Rs.32/- under the Beriz Deduction System and it was struck off the Register in 1927, as the tasdik remained unclaimed for more than 6 years. The present trustee Ramappa alias Ramakrishna Rao prays for the re-admission of the institution and payment of arrears of tasdik on the ground that his father who was the Moktessor resigned the Moktessorship in his favour on 18th March 1918, that he has been performing the services regularly and that he could not obtain a sanad until March 1927 as his father did not hand over charge of the moveables etc. and his father's resignation was not accepted by the Committee. He also states that he had been reminding the Committee for the grant of a sanad. The enquiry held in the case shows that the petitioner has been regularly performing the services and the institution is in good condition. However as the grant of the sanad was delayed by the Committee on account of some private misunderstanding between the last holder and the present Moktessor, I recommend that the institution may be re-admitted from Fasli 1336, the year in which the sanad was granted and also the payment of arrears since Fasli 1336 subject to the usual deductions.
